

The background of the entire page is a photograph of an outdoor event, likely a wedding reception, held under a large, light-colored tent. The interior of the tent is visible, showing tables set with white linens and chairs. A large, white, circular graphic is centered on the page, containing the text 'Social Celebrations'. A white diamond-shaped grid pattern is overlaid on the entire background image, creating a geometric design. The overall color palette is warm, with gold and brown tones.
